## Maryland Historical Trust Maryland Inventory of Historic Properties Form

Inventory No. HA-1068

Name Bonita Farm Addendum-December 2010

Number \_\_ Page 1

Although the house at Bonita Farm is located distant from the nearest public road and comparison of the current appearance of the house to its appearance at the time of the previous survey is difficult given the lack of a photograph at the time of the original survey, the visible portion of the house appears to retain a high degree of architectural and historical integrity and represents a notable historic property.
